ASTERAL is shortlisted for the Building Better Healthcare Awards for Best FM Service Strategy

We are pleased to announce that Asteral has been shortlisted for the Building Better Healthcare award under the category of 'Best FM Service Strategy' for **The Asteral and University Hospital's of Leicester Managed Equipment Service**.

The category recognizes healthcare/service providers that have demonstrated excellence in the provision of a FM strategy that embraces the widest possible scope of services, meets the needs of the clinical teams and improves patient safety. The winner will be announced at the award ceremony on 13th November 2008. For more information click here <http://www.bbhealthcare.co.uk/awards/>
